

A stack of food is presented on a white plate. From bottom to top, it consists of a sausage link, a sausage patty, a fried egg, and a hash brown. The stack is placed on a light-colored wooden surface.

FULLY COOKED PATTIES & LINKS

Choosing fully cooked sausage simplifies your kitchen and saves you time. It's easy to prepare and ready in minutes (or even seconds). Available in a variety of flavors, our fully cooked sausage patties and links give you plenty of serving options and your customers satisfying, flavor-filled meals.

PRODUCT FEATURES

- Variety of flavors allow you to differentiate your menu and satisfy cravings
- Top quality trim blends ensure excellent taste, texture and performance
- Easy to prepare and always consistent
- Food safety assurance of the highest quality
- Versatile across dayparts and menu items

Take an **Owens Original Spice Sausage Patty**, lay it on a bed of arugula sitting on a freshly toasted English muffin half, and top with a poached egg. Now that's a simply delicious breakfast.

Pair our **Owens Breakfast Sausage Links** with some eggs, crispy hash browns, and jelly-smear toast, and you'll be serving breakfast as breakfast is meant to be served—quick, hot and tasty.

Looking for a little more spice? Then consider our **Owens Original Spice Patties**. Made with the top quality trim that makes all of our fully cooked patties and links so good, they also include a little red pepper, for a tasty Texas kick.
