Just the Right Size

Most consumers want to see a little bit of the fixings. Too big and all the best parts disappear. Too little and you have a mess on your hands. At just about 3" square, our NEW Mini Cinnamon Swirl French Toast is the perfect fit for the most popular egg & sausage patties!

Just the Right Flavor

English Muffins, Biscuits and Buns are classics, but they are also all the same... Sure they serve as a functional carrier, but where's the flavor? Our NEW Mini Cinnamon Swirl French Toast was made to bookend your choice of savory ingredients with a sweeter side.

BIG Opportunity

Breakfast sandwiches are up 34% on menus over the last four years. And our NEW Mini Cinnamon Swirl French Toast offers a "sweeter" way to differentiate your builds. Plus, at 1.15 oz, it keeps food costs in check so you can keep the big bucks for your bottom line.

Each piece of our Mini French Togst with a Cinnamon Swirl starts with a loaf of real cinnamon swirl bread that is sliced, battered and baked - not fried - for a wholesome appearance and made-from-scratch taste.
