### Preparation and Cooking

Preparation instructions not specified for this product.

### Serving Suggestions

Use in any application that requires egg whites such as: Confectionary (sponge, layer, cream and snack cakes, pie fillings, cookies, yeast raised donuts). Muffins, breads, mayonnaise, dressings, and beverages. Best to use in confectionary products such as: Angel food cakes, chiffons, meringues, sponge cakes, and snack cakes.

### Packaging and Storage

Trucks carrying this product will be loaded and transported in a sanitary manner following all requirements stated in this specification. The product can be distributed at ambient temperatures. Prolonged storage at high temperatures, however, may reduce the functional shelf life of the product. It is recommended that the product be stored in a cool, dry environment. Ambient storage is acceptable, but prolonged storage at high temperatures may reduce the functional shelf life of the product.

### Allergens

CONTAINS:  
Eggs or Egg Derivatives
